Classic Series Eyewear

Affordable Value

Classic Series Eyewear

3M™ Protective Eyewear products are designed with your safety in mind. 3M's dedication to quality ensures all 3M protective eyewear products meet both physical and optical requirements of the ANSI Z87.1-2003 Standard as High Impact Protectors.

The 3M™ Classic Series Protective Eyewear is designed to give you safety protection as well as provide you a variety of safety glasses that are affordable and good looking.

3M™ Protective Eyewear | Classic Series

Lens Guide

Hard Coating: Durable coating permanently bonded to lens to extend lens life.

Anti-Scratch Coating: Protective coating on lens that is resistant to scratches in abrasive environments.

UV Protection: Polycarbonate lenses reduce UVB and UVA radiation from natural sunlight by >99%.

Anti-Fog Coating: Provides resistance to moisture in high humidity environments and occurrences of temperature shifts.

Note: all 3M Classic Series Protective Eyewear styles feature UV Protection, Anti-Scratch/Hard Coating (except Visitor Specs). Some styles feature Anti-Fog (noted on style).

Visitor Specs 1611

An economical alternative for short term eye protection. Can be worn alone or over prescription lenses.

1611 Visitor Specs Clear with Clear Lens

Safety Goggles 1600 Series

Multi-purpose goggle offered in two designs. Perforated design allows for air flow, greater comfort and reduced fogging. Splash protection design includes four indirect vents to enhance air flow. Flexible vinyl frame provides an excellent facial fit.

Available in:
1620 Perforated Goggles
1621 Splashproof Goggles

1700 Series

One of our most popular eyewear styles, this economical design features a wrap-around design to fit many facial curvatures.

Available in:
1700 Black Frame, Clear Lens
1701 Smoke Frame, Smoke Lens

1710 Series

Classic industrial design, offers built in side protection at an affordable price. Lightweight plastic frames with 4-position adjustable temples for enhanced fit.

Available in:
1710 Black Frame, Clear Lens
1712 Black Frame, Smoke Lens

NEW 1700 AF

Features an Anti-Fog coating and a wrap-around design to fit many facial curvatures.

Available in:
