

Protective Eyewear Revolving Display

Grab Your Customers' Attention With This Attractive Eyewear Display

This permanent revolving display makes it easier than ever to stock and sell 3M™ Protective Eyewear. It comes pre-loaded with 24 glasses in four styles that meet ANSI Z87.1-2003 Standard for high impact. Each style comes with an individual UPC for easy scanning.

A display that gets attention

The durable plastic construction is compact and lightweight for easy placement— 24" high x 10" wide and just four pounds. Use it freestanding on a countertop or mounted on pegboard to get more out of the customers' visit to your store. Non-skid rubber feet create stable freestanding displays on checkout and service counters. Or use easy 1-2-3 instructions to install mounted displays near products that require protective eyewear.

Easy set-up and placement

The 3M™ Protective Eyewear Revolving Display comes pre-loaded and can be set up in minutes. Simply place freestanding displays on a level surface or install on a slat wall or pegboard using easy 1-2-3 instructions.

- 1) Install top and bottom mounting clips
- 2) Insert S-wire into bottom clip and place display on wire
- 3) Insert C-wire into top clip and top of display
